

Bathroom Slippers

For Sole Threads, designing is a way of life. It goes beyond the basic element of the redundant style one follows. All year round, you're out there braving the elements. You take your fashion seriously. We get it—and we design these flip-flops with you in mind. We've relied on grass-root teams, hard-core designers and professionals to help us design the flip-flops and tees keeping in mind the latest fashion trends. We have created an array of designs which are funky yet stylish and will keep adding to these regularly.

Harpic Power Plus Disinfectant Toilet Cleaner, Original 1000ml

Cleaning the toilet is often the most hated and one house chore that tops the list of the worst house chores we have to complete. But an effective, reliable, strong and disinfecting toilet cleaner can make a big difference in getting this chore done with lesser frustration and quicker results. Harpic is one such product that can make your toilet cleaning task a little less annoying and tiring. It's quick action and superior results are unbeatable! To clean your toilet and get a supremely shining toilet, you simply have to: Press the sides of cap and twist it counter clockwise to open. Squeeze the bottle to let out the liquid around the bowl and under the rim. Then let the liquid spread from rim to U-bend Leave it there for 20 mins, while you see to other chores. Brush the bowl and the sides lightly and flush. You'll have a shining, white toilet like never before! Harpic Power Plus the ultimate one stop solution for all your toilet cleaning needs. A specialized All-in-one product, unlike the ordinary toilet cleaners, harpic power plus combines the benefits of tough stain remover, 99.9% germ killer, and freshener in one, making it the smartest toilet solution.

MATTRESS

For comfort without compromising on the budget, our cotton mattresses are a superb pick. Available in black and white cotton, our mattresses are designed to last long and offer the

essential comfort for a peaceful sleep. White is natural and re-usable, whereas Black is synthetic and non re-usable. If you prefer lightweight for easy transportation, try our Plain Type mattresses. Box type mattresses are heavier, but more comfy too.
